## Home Sweet Home on 800m2

There are two crucial hints which tell you if you're walking into a good family home. The first? From the coffee table to the bench top, from the linen cupboards to the shower screen, from the pantry to the laundry, every surface is so clean and tidy. And the second? The owners have loved living here for the past 20 or so years. Here, spotless presentation and owner history combine to ensure that your whole family will fall in love with this immaculately cared for and looked after Kuraby home.

Kids and teenagers will love?

Their own space to relax and unwind! All 4 bedrooms are well-appointed to ensure that every family member enjoys maximum views, lighting and privacy. The master bedroom features its own attractive bathroom which is modern, stylish and functional. Each morning, before Mum and Dad rise, they can take in the tranquil view of the healthy garden ? what a beautiful way to start the day
