## Contemporary Living - 2 Ensuites - Stunning Views

This home is the true definition of quality, class, elegance and the essence of contemporary living. The stylish design of this new and magnificently modern two-storey residence speaks for itself. The two (2) ensuites (one downstairs, one upstairs) are just one example of the fine features which set this home apart from the rest.

### The Pride of Our Owner

Every aspect of the home reflects our owner's thoughtful attention to detail and hard work in the designing and building of this home. We invite you to discover the quality features evident in the design ? from the large walk-in pantry, to generous bathroom size, from the timber ceiling, to the patio area, from the 6-star resort style pool, to the kitchen cupboard design and the recesses in the shower.
